

Amendment to Tayside Fire and Rescue's – Towards a Safer Tayside: Annual Public Performance Report 2009-10

Please note that the figures published for 2009/10 on page 51 of our report under our 'people' section, regarding the measurement of 'the proportion of both operational firefighting time and non-operational staff time lost through sickness and injury' are incorrect.

The correct figures have been added in red below:

	2005/06	2006/07	2007/08	2008/09	2009/10
	Actual	Actual	Actual	Actual	Actual
Rider Shifts lost due to sickness absence and light duties	5.9%	8.1%	4.5%	4.5%	5.7% (5.63%)
Rider Shifts lost due to sickness absence	5.3%	7.1%	4.13%	4.00%	3.6% (4.5%)
Rider Shifts lost due to light duties	0.6%	1.0%	0.37%	0.5%	0.7% (1.13%)
Absence for all other staff directly employed	6.2%	5.7%	6.38%	3.00%	3.7% (2.33%)

We apologise for any inconvenience that this may have caused.
